LADIES ONLY RETREAT

and
Personal Coaching

with *Andrea Danke*

**“IF YOU LIVE YOUR DIVINE FEMININE POTENTIAL,
ONLY THEN WILL YOU BEGIN TO LIVE HAPPILY.”**

You are special, you are beautiful, you are talented, you are loved and you are gift to this world!

The question you must ask yourself: Do you know this? Have you been touched by your own soul and heart so deeply so that you live your divine truth every day? Or are you still hustling daily and not live your maximum potential and divine purpose as a woman? In times of global unrest and high stress it is us women who hold the energy and love. But for many women that means they fall short on their own happiness and self-love.

You are cordially invited by me, Life Solutions Coach and Kundalini Yoga Teacher Andrea Danke to join me on this exclusive Ladies Only retreat. I will gift you not only with transformative and secret meditations designed for women, but you will also receive a personal 1:1 coaching with me.

Use this retreat to become the radiant, happy and powerful woman you truly wish to be.

Learn, practice and manifest highly transformative and life enhancing yoga sets and meditations.
